**Play it Again Sam  
Written By Woody Allen  
At the Lakewood Playhouse  
Sunday, January 29**

Allan Felix has this thing about Humphrey Bogart. If only he had some of Bogart's technique... Bookish and insecure with women, Allan's hero, Bogey comes to the rescue, with a fantastic bevy of beauties played out in hilarious fantasy sequences. Fixed up by friends with gorgeous women, he's so awkward that even Bogey's patience is tried. Allan mostly resembles a disheveled, friendly dog and this is what ultimately charms his best friend's wife, Linda into bed. It's a tough life, making it in the world of beautiful people but if you can't be a hero it helps to have one...
